

This is a Collins Hill Athletic Association Sport Registration Announcement.

If you are receiving this message, you had a child registered in a CHAA Sport in 2009. If your child no longer participates in a CHAA sport, you will be cycled out of the mass e-mail system when that sport registers the following year. Please do not request to be dropped from the mailing list, in order to delete you from the mass e-mail system; volunteers must sort through thousands of previous registrations. Your patience is greatly appreciated while the list self-corrects. Also, please send any correspondence to the Baseball Director or Softball Director listed below. This address is for e-mail confirmations only. Thank you for your understanding.
