

## 2012 Collins Hill Spring Softball Referral Program

CHAA softball is offering a “refer a player” credit for the spring 2012 season.

When a current CHAA softball player refers a new player to the league they will receive a \$10 credit to their fall registration fee.

Details of the offering:

- Current player must have played CHAA softball during the spring and/or fall 2011 season and must be playing during the spring 2012 season.
- Referred player must not have played at CHAA during the 2011 (fall or spring) season.
- Referred player must be “pee wee” league age or older.
- Only one player may receive credit for each referred player registration

Once the referred player registers online, or during the walk up registration period, they can send an email to [softball@chaasports.com](mailto:softball@chaasports.com) with the player and parents name that referred them to CHAA Softball.

We are excited about the upcoming season and want everyone to spread the word.

Feedback-Please email Director of Softball, Samantha Dunn, at [softball@chaasports.com](mailto:softball@chaasports.com) with any questions or comments.
