## CHAA LACROSSE

Our organization is a youth lacrosse program servicing schools in the Collins Hill cluster consisting of Creekland Middle School, Walnut Grove, Rock Springs, McKendree, and Taylor Elementary Schools. Our teams are made up of Boys and Girls Ages 7 – 15 that feed to Collins Hill High School Boys and Girls lacrosse teams. We are a non-profit group dedicated to supporting and providing lacrosse to Collins Hill area youth. All personnel are unpaid volunteers.

Lacrosse in Gwinnett County is relatively new and was recognized by the GHSA as a varsity sport in Gwinnett two years ago. The Gwinnett Lacrosse League also formed two years ago to give our youth a venue to learn and play this great sport. We receive no funding from the Collins Hill Athletic Association. Each sport in CHAA must fund itself. We rely on donations, sponsorships, and money raised through our fundraisers to provide our kids with the required fees, equipment, and instruction involved in a season of lacrosse.

Our kids vary in age, gender, and ability, but one thing they all have in common is a desire to better themselves through lacrosse and to play this great sport!
